VBA dental plans are administered and underwritten by TruAssure Insurance Company and are offered in association with DenteMax dental networks. DenteMax dentists accept new patients. In-network services are paid off the PPO fee schedule.

The benefits of a small group VBA dental plan:

- **Truly affordable coverage:** Our dental plans help keep your bottom line manageable.
- **No waiting periods**
- **Focus on prevention:** Exams, cleanings, fluoride* and sealants* are 100% covered in-network. Your employees get the preventative dental care they need before small issues turn into more costly and time-intensive treatments.
- **Network dentists where employees need them:** Employees can find in-network dentists who best fit their schedules and location – close to home or near the office.
- **Exceptional customer care:** Employees get accurate and timely answers to their questions, allowing you to manage the rest of your business.
