

Member Card

Discover how to use your vision benefits.

At VBA, we strive to make things as simple as possible for our members. Even though you will not be required to show your provider a member card, you may cut out your VBA member card so that you have all of your plan information handy whenever you visit your doctor's office.

VBA Vision makes using your benefits easy.

Step 1 Go to www.vbaplans.com, log in to your account then click "Am I Eligible."

Step 2 If you are eligible, click "Find A Doctor" at the top of the page. From there you can fill in your zip code and find a doctor close to you.

Step 3 Go to your appointment and let your doctor know that you have a VBA Vision plan.

Step 4 Relax—we've got you covered! VBA Vision will pay your doctor for covered exams, lenses, and frames.

If your doctor is not within the VBA network, requesting reimbursement is simple. Just go to www.vbaplans.com, download and complete our reimbursement form, attach all receipts and mail or fax to the address on the front of this card.

This card is for information only and does not guarantee benefits.

Access our member portal in three easy steps!

Whether you need to find an in-network doctor, check your eligibility or review what your plan covers, VBA's member portal gives you access to all of this online.

- 1 Visit vbaplans.com/vision and click the "Login" button on the top left side.
- 2 With VBA, the login information is the member's birthday, zip code and last four SSN digits. There's no need to remember another password!
- 3 Click "login" and you will be taken to the portal homepage where you can:
 - Find a doctor
 - View family members records
 - View plan rules
